PROFESSIONAL EXPERIENCE

PROCTER AND GAMBLE PHILIPPINES, INC.

August 2022 - Present

Analytical Process Control Strategies Owner

- Standardized method execution by conducting measurement systems analyses that improves the laboratory reliability by 70%
- Initiated and developed a Power BI report for timely control charting of results to improve insights and efficacy of action plans by 85%

LabVantage LIMS Key User

- Creates and reviews master data based on the test requirements and specifications for raw materials and finished goods for 3 modules in the plant
- Leads troubleshooting of LIMS-related problems such as master data mismatch and LIMS-SAP integration problems
- Developed a Power BI from the LIMS consumables data for seamless tracking of available and near-expiring consumables to automate updates and elimination of manual data entry

Department Centerline DMS Owner

- Established the process and monitoring of critical parameters that ensures quality of testing and safety of analysts in the laboratory
- Designed a Power BI report to improve tracking and action planning for out-of-limit parameters weekly to shiftly basis

Quality Assurance Analyst

- Routinely analyzes production samples from bar soaps, dry laundry powders, hand dish wash, and etc. using HPLC and Discrete Gallery Analyzers among other equipment
- Conceptualized and validated a method of cleaning of HPLC vials to guarantees reusability which results to 6000 USD yearly savings
- Developed a digitized worksheet using Microsoft Excel VBA for packaging materials analyses to reduce setup times in SAP by 90%

DEPARTMENT OF EDUCATION

October 2021 - July 2022

Special Science Teacher I

- Utilized up-to-date examination/assessment tools to hasten release of results and improve efficiency of workflow by from 3 days to within class period
- Crafted an automation system using Microsoft Excel for importing, cleaning, and printing large amounts data from biometrics device
- Led the hosting of several school-wide programs including In-Service Trainings and Graduation

INTERPHIL LABORATORIES, INC.

January 2020 - June 2021

Quality Assurance Management Trainee

- Validates manufacturing processes required for upscaling product R&D initiatives
- Carried out-day analysis of samples using Gas Chromatographs (Shimadzu GC-2010 and GC-2014), Atomic Absorption Spectrometer, and UV-Vis Spectrophotometer.

KEY COMPETENCIES

Process improvement

Report writing and presenting

Strong interpersonal skills

Data analysis

Critical thinking skills

Proactive and self-motivated

EDUCATION

Bachelor of Science in Chemistry

Visayas State University, 2015 -2019

CERTIFICATIONS

Data Analyst Associate Certification, SQL for Business Analyst

DataCamp, September 2024

Data Science Bootcamp

Philippine Coding Camp, February 2024

Power BI Builder

Procter and Gamble Friends of BI, September 2023

Data Science Development Program Completer

Unionbank of the Philippines, May 2023
